Together for Healthier **Lives in Europe**

Our goals

Strengthening healthcare systems in Europe

We want to overcome obstacles to innovation to improve Europe's healthcare delivery and enable life-changing solutions.

Promoting better health of citizens

European citizens and patients sit at the centre of our organisation. That's why we're engaging people at every stage.

Contributing to a sustainable health economy in Europe

We want to create a fertile environment in which innovation can flourish.

Our programmes: Accelerator, Education and Innovation

Accelerator

A catalyst to business growth to deliver transformative products and services.

Shortens the time-to-market for entrepreneurs, start-ups and SMEs, while creating new jobs and contributing to a thriving health economy.

Education

Bridges the gap between academia and enterprise to upskill professionals on new innovative techniques, providing the practical knowledge and inspiration to deliver future innovation.

Engages learners across society, from citizens to established healthcare professionals.

Innovation

Connects bold approaches to the people who can make them a reality by turning them into a commercially-viable product or service.

Builds a task force of world-class experts from business, research and education.

Our impact

We're transforming the way healthcare is delivered in Europe, changing lives, making new leaps in healthcare that puts the patient front and centre.

Innovation

innovation projects supported*

products or services brought to market

Accelerator

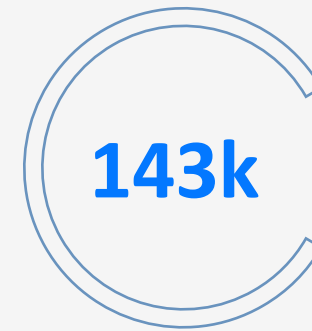

supported more than 1,163 start-ups

raised more than €246m investment

Education

citizens have been empowered to foster healthier living and prevent disease

graduates and professionals trained

Our presence

EIT Health supports cross-border collaboration.

Six regional innovation hubs

Operate as strong clusters of relevant actors collaborating as a thriving ecosystem.

InnoStars

Headquartered in Budapest, EIT Health InnoStars spans several geographic regions in Hungary, Italy, Poland and Portugal.

Regional Innovation Scheme (RIS) (Pink pins)

EIT Health has expanded the community's presence with a EIT Health Regional Innovation Scheme in 13 regions across Central, Eastern and Southern Europe.

Beyond Europe (Cyan pin)

Further hubs in the United States and Israel, connect innovators across Europe to other key thriving ecosystems beyond the EU.

Our value for our partners

Access to Europe's largest cross-border health innovation network spanning the entire healthcare stakeholder landscape.

Ability to work in close collaboration with healthcare's brightest minds.

Access to decision makers at EU level to help shape the healthcare landscape.

At the forefront of cutting-edge health innovation to transform healthcare in Europe.

“Research collaborations between academic researchers and industry are essential in helping to understand unmet clinical needs and in developing appropriate technology solutions to address those needs; ultimately resulting in better patient care and outcomes.”

ATTILA FERIK, GE HEALTHCARE
