

## **1/2021. (V.10.) Rector's Directive**

### **on the execution of the 234/2021. (V. 6.) Government Decree on the second phase of protection measures to be applied in the emergency situation**

According to the 234/2021. (V. 6.) Government Decree on the second phase of protection measures to be applied in the emergency situation, the rector of the higher education institution may decide to organize the education – especially the practical training of students, and the exams requiring students' presence according to the regulations of training and examination – with personal attendance complying with the required protective measurements. Based on the above-mentioned authorization, the Rector of Eötvös Loránd University decides the following.

1. § Eötvös Loránd University continues and concludes the Spring Semester of the Academic Year 2020/2021 with distance education and examination, with the exception listed in the 2. §.
2. § The Rector authorizes the deans and directors of institutes with specific legal status to grant written permission to reorganize courses, reschedule in blocks the supplementary laboratory exercises and related examinations that were cancelled throughout the spring semester, hold partial- or complete entrance examinations, organize summer exercises and field practices that require physical presence from participants.
3. § Further detailed regulations will be elaborated and published by the ELTE Epidemiological Operative Coordinating Body in a [BRIEFING](#), in accordance with the established practice since February 2020. The University Citizens will be notified.
4. § This Directive is in effect from the day following its publication.

Budapest, 10th of May 2021.
