1. The Stipendium Hungaricum Scholarship Programme

1.1. Mission of the Programme

Hungary provides high quality education in the heart of Europe. Today, there is a growing demand of international students to study in Hungary. Besides the quality of education and degrees recognised throughout Europe and beyond, students are attracted by the affordable living costs with an extremely favourable cost-to-value ratio, a safe and friendly living environment with convenient public transportation, the central location of the country in Europe, and the unspoiled natural beauties combined with a 2000 year-old, rich Hungarian history and several UNESCO World Heritage Sites. Hungary is also within the top countries with the highest number of scientific Nobel Prize Winners per capita and numerous scientific inventions from Vitamin C to Rubik’s cube and so on.

The Stipendium Hungaricum Scholarship Programme was launched in 2013 by the Hungarian Government. The main goal of the programme regarding the education policy is to support the internationalisation of Hungarian higher education and its constant development, to strengthen the international relations of the Hungarian academic and research community, to enhance the cultural diversity of higher education institutions and to promote the good reputation and competitiveness of Hungarian higher education throughout the world. The programme also aims to establish and encourage the personal and professional attachment of foreign graduates to Hungary and contribute to the promotion of Hungarian culture and language abroad.

The core mission of the programme is to increase the number of foreign students in Hungary and to encourage Hungarian higher education institutions to attract top foreign students.

The programme is based on bilateral educational cooperation agreements signed between the Ministries responsible for education in the sending countries/territories and Hungary or between institutions. Currently nearly 70 Sending Partners are engaged in the programme on 5 different continents and the geographical scope of the programme is spreading each year.

Thousands of students from all around the world apply for higher educational studies in Hungary each year. The number of Stipendium Hungaricum applicants is continuously increasing as well as the number of available scholarship places. In 2019 more than 4500 scholarships were awarded.

The Programme is managed by Tempus Public Foundation.

1.2. Available Scholarship Types

1.2.1. Study Levels

Stipendium Hungaricum scholarships are available for bachelor’s, master’s, one-tier master’s, doctoral, and non-degree programmes (preparatory and specialisation courses). Please note that this Call for Application is for doctoral programmes only. Please find here the Call for Applications for bachelor’s, master’s, one-tier master’s and non-degree programmes here.

Important note: applications are only accepted for bachelor’s, master’s, one-tier master’s and non-degree programmes OR for doctoral programmes; therefore please consider carefully your selected programme(s).

Note about doctoral programmes:
In Hungary, the duration of doctoral programmes is 8 semesters. Doctoral programmes are divided into two different phases: the first phase (4 semesters) is for professional training and research, while the second phase (4 semesters) is for research and dissertation. At the end of the first 4 semesters, doctoral students are obliged to take a complex exam, where the educational and research progress of the student is evaluated. Doctoral students can only continue with the second phase of their studies upon the successful completion of the complex exam. The amount of the monthly stipend is different in the two phases of doctoral programmes. Please see section 1.3 about financial details and section 3.1 about the details of application for doctoral programmes.

1.2.2. Study Modes

Both full degree and partial (exchange) study modes are available, in accordance with the relevant bilateral educational cooperation agreement. Full degree programmes are programmes that lead to a doctoral degree.

Partial (exchange) studies are one- or two-semester long exchange studies that are part of the student’s degree studies in their sending higher education institution. Therefore, those who apply for partial (exchange) studies must be registered in and must have a student status at a higher education institution that operates outside of Hungary. In case of partial (exchange) studies, applicants can only apply to those study levels that they are attending in their sending, home institutions (i.e.: doctoral level). Partial (exchange) studies are available for up to one academic year and cannot be extended.

Please be extra cautious when selecting your preferred study programmes in the online application system as most of the study programmes are offered both as full degree and partial study programmes; therefore, those programmes appear twice. Please make sure that you select the programme marked with the study mode of your desire, because it is not possible to change the study mode after submitting your application!

1.3. Provisions Covered by the Scholarship

- Tuition-free education
  - exemption from the payment of tuition fee
- Monthly stipend
  - doctoral level: according to the current Hungarian legislation, the monthly amount of scholarship is HUF 140,000 (cca EUR 415) for the first phase of education (4 semesters)
and HUF 180,000 (cca EUR 530) for the second phase (4 semesters) - for 12 months a year, until completion of studies. Please see details in section 1.2.1.

- **Accommodation contribution**
  - free dormitory place or a contribution of HUF 40,000/month to accommodation costs for the whole duration of the scholarship period (Please note that if the student does not live in the dormitory, then the HUF 40,000/month is a contribution to that rental costs, and in bigger cities – especially in the capital city – this contribution would not cover the full amount of rental costs.)

- **Medical insurance**
  - health care services according to the relevant Hungarian legislation (Act LXXX of 1997, national health insurance card) and supplementary medical insurance for up to HUF 65,000 (cca EUR 195) a year/person

Please bear in mind that these provisions are only a contribution to the living expenses of the Scholarship Holders. It means that it does not fully cover all the costs of living and the students need to add their own financial resources in order to cover all living expenses in Hungary. All applicants are highly advised to check the expected living expenses both in Hungary and in the city that they wish to live in before applying; please do check our Cost of Living Calculator by clicking here: [http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html](http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html)

### 2. Eligibility

#### 2.1. Eligible Sending Partners

The Stipendium Hungaricum Programme is based on effective bilateral educational cooperation agreements between the Hungarian Ministry of Foreign Affairs and Trade or its legal predecessor as regards the Stipendium Hungaricum Scholarship Programme, the Ministry of Human Capacities, and the partner’s Ministry responsible for higher education. Applications will be considered eligible only if the applicant is nominated by the responsible authorities of the Sending Partner.

For partial (exchange) study programmes, students can apply from the following Sending Partners: Lebanese Republic, People's Republic of China (only Hudec applicants), Republic of Albania, Republic of Korea, Socialist Republic of Vietnam, Russian Federation, Syrian Arab Republic, United Mexican States.

Please note that the programme is implemented through direct cooperation with the responsible authorities of the Sending Partner. The application does not have any additional costs, therefore we highly suggest you not to apply through any agencies. However, to find the list of agencies that the Hungarian universities work with, please click here to check, the list is updated regularly.

2.2. Non-eligibility

Applications will not be considered in the following cases:

- Hungarian citizens (including those with dual citizenships), persons granted a refugee status (“menekült), persons enjoying temporary protection (“menedékes”), persons admitted for subsidiary protection (“oltalmazott”) and persons granted humanitarian protection (“befogadott”),
  - Please note that this requirement is not only for applicants but for Scholarship Holders as well; it means that, e.g., if you obtain a Hungarian citizenship or a refugee status during your studies in Hungary, you automatically lose your scholarship status.
- Applicants with a citizenship different from the sending country/territory. For example, only Brazilian citizens can apply through the Brazilian Sending Partner.
- Applicants born after 31 August 2002 (= applicants under 18 years old as of 31 August 2020) except applicants applying for Dance study programmes,
- Applicants applying for bachelor’s, master’s, one-tier master’s and non-degree programmes
- Those former Stipendium Hungaricum Scholarship Holders who were awarded scholarships for full degree studies and who
  - are now re-applying for full degree or partial (exchange) studies in the same cycle of education (doctoral level) – (therefore, those Stipendium Hungaricum Scholarship Holders can apply for the programme who apply to continue their studies at a different cycle of education, e.g. master’s student Scholarship Holders can apply for doctoral studies!)
  - or who are now re-applying for the programme for any cycles of education while they still have a scholarship status at the time of application (unless they withdraw their former scholarship before the application deadline) and will not receive their degree until 31 August 2020
  - or who have postponed the start date of their scholarship studies and did not withdraw their scholarship before the current application deadline.
- Those former Stipendium Hungaricum Scholarship Holders who were awarded scholarships for partial (exchange) studies and who
  - are now re-applying for partial (exchange) studies in the same cycle of education (doctoral level) – (therefore, those Stipendium Hungaricum Scholarship Holders can apply for a different cycle of education, e.g. former master’s student Scholarship Holders can apply for doctoral partial (exchange) studies if they are now doctoral students in their home countries).

Therefore, please note that it is only possible to re-apply for full degree scholarship studies in the same cycle of education if the former Stipendium Hungaricum Scholarship Holder was previously awarded scholarship for partial (exchange) studies. Even in this case, the length of the full degree scholarship shall be reduced by the length of the previous partial (exchange) studies.
Important note for self-financed students already studying in Hungary:
Those applicants who are registered self-financed / fee-paying students of a Hungarian higher education institution at the time of the application deadline AND who are now applying for the same study level are only eligible to apply for the Stipendium Hungaricum programme if
- they are recommended by their Hungarian host universities where they are studying at the time of application, AND
- if their cumulative, corrected sum average ("összesített korrigált kreditindex") is higher than the students’ average performance in the particular study programme ("szakátlag").

Based on the above, self-financed PhD students enrolled in Hungary can apply to continue their studies with the scholarship only if they are recommended by their university and their cumulative, corrected sum average is above average. Please see further details about the optional application documents in Section 3.2.3. of the Call for Application.

2.3. Supervisor

All students applying for a doctoral programme must have a supervisor at the Host Institution, who, in the case of the successful application process, will undertake the supervising of the student’s doctoral education and research activities within the frameworks of the doctoral programme chosen by the applicant. A statement of acceptance issued by the supervisor must be attached to the application.

2.4. Available Host Institutions and Study Programmes

At doctoral level, 19 Hungarian higher education institutions are engaged in the Stipendium Hungaricum Programme for the 2020/2021 academic year, with almost 150 study programmes, generally in English and Hungarian languages.

The available study programmes and Host Institutions are available in the online application system (https://apply.stipendiumhungaricum.hu/). Please note that you can only apply for these study programmes within the frameworks of the Stipendium Hungaricum Scholarship Programme.

Applicants are eligible to apply only for those scholarship types and study fields that are determined in the educational cooperation programmes in effect between Hungary and the specific Sending Partner. Please see Annex 1 for the full list of available study fields regarding your sending country.

2.5. Order of Selected Study Programmes

In addition to the first choice of study programme, there is an opportunity to apply for an additional, second study programme. Therefore, each applicant can apply for up to TWO different study programmes, in order of preference. These two study programmes can be both at the same Host Institution and at different Host Institutions; it is the applicants’ decision.

The order of preference is essential. During the application process, the first selection and examination process will be conducted for the study programmes selected as the first choices of the applicants. The first priorities will be considered first and then, only the remaining free places will be filled with those applicants who are not approved for their first choice of programmes. In this way, the chances of receive the scholarship are relatively higher for the study programmes selected as first choices because there are more free places at that time.
Please note that after submitting the application, the selected programmes (including the study language and the study model) and the order of preference cannot be changed by the applicant! We strongly advise all applicants to carefully check the minimum entry requirements of the study programmes and take time to decide on the order of the two programme preferences. We also highly encourage the applicants to increase their chances of receiving the scholarship by apply for not only one but two study programmes in total.

2.6. Language of Study Programmes

Applicants are eligible to apply only if they meet the minimum language criteria set by their chosen Host Institution. Please visit the online application system (https://apply.stipendiumhungaricum.hu/) to see the exact language criteria for each study programme!

3.5. Selection Procedure

3.5.1. First Round of Selection: technical check and the nomination of Sending Partner (January-February 2020)

Applicants that are only saved in the online system, but not submitted, will be automatically rejected. The applications successfully submitted in Tempus Public Foundation’s online application system are checked first. This is called a technical check and it is done by Tempus Public Foundation. During this step, we check the basic eligibility criteria; for example the age, citizenship, the previous scholarships, and check if the applicant has applied for a scholarship type and/or study programme that is available within the framework of the programme and that is available for the applicants of the particular sending country/territory. Also, we will formally check if the required documents are uploaded in the application system or not, and check if the Statement for Application is accepted in the system. However, it is the Host Institution that checks whether the uploaded files and their quality can be accepted and whether these documents meet their entry requirements or not.

Applicants will be automatically rejected during the technical check if they

- do not successfully submit their application in the online system until the 15 January 2020
- are Hungarian citizens, hold a Hungarian dual citizenship or they are persons granted a refugee status, enjoying temporary protection, admitted for subsidiary protection or granted humanitarian protection,
- have a citizenship that is different from the sending country/territory they apply through,
- were born after 31st August 2002
- do not accept the Statement for Application (please see Annex 3 for sample) in the online system, or they
- are former Stipendium Hungaricum Scholarship Holders or self-finances students at a Hungarian higher education institution in cases described in Section 2.2. about non-eligibility.

These eligible and successfully submitted applications are forwarded to the responsible authorities of the Sending Partners for review and pre-selection. The exact methods and guidelines of the Sending Partners’ selection are determined by the Sending Partners. After the selection decision of the Sending Partner, a nomination list, including a reserve list will be issued and forwarded to Tempus Public Foundation by the Sending Partner until 28 February 2020.

Applicants can only apply through sending countries/territories of their own nationality. Sending Partners can only nominate applicants with the same citizenship. Only nominated applicants will be considered for the second round of selection: the institutional evaluation.

3.5.2. Second Round of Selection: the institutional evaluation (March - May 2020)

The application materials of the nominated applicants (including the reserve list) are forwarded to the Host Institutions for professional evaluation. The institutions will also run a formal check first to see if all the documents submitted by the applicants meet the requirements of the Call for Applications and the minimum entry requirements of the selected study programme(s).

Applicants with a valid, formally correct application that meet the minimum entry requirements can proceed to the institutional entrance examinations. Each applicant can participate in up to two institutional entrance examinations – in accordance with their submitted applications.
The exact date and method of the entrance examination vary by institutions. Each applicant will be individually informed about further details (e.g. date of examination) directly by their selected Host Institution(s).

As applicants can apply for up to two study programmes, the institutional examinations are conducted in two rounds.

1. Applications for the first selected study programmes are considered first by the universities. The examination process for the first selected programmes can be expected between 18 March and 30 April 2020; however, the dates are indicative.
2. Applications for the second selected study programmes are considered afterwards. The examination process for the second selected programmes can be expected between 18 March and 20 May 2020; however, the dates are indicative.

Depending on the selected Host Institution(s)’ schedule of examinations, it is possible that there will be no entrance examinations for the second study programme selected by the applicant – in case the applicant is already approved for the scholarship for the first selected study programme.

The applicants are evaluated on a 100 point scale. The final examination results and the examination points given by the Host Institutions are then forwarded to Tempus Public Foundation.

Important note: the required minimum point that is required to be achieved is 56 points (on a 100 point scale). No applicants shall to receive a scholarship offer with an examination result below 56 points.

3.5.3. Allocation of Admitted Applicants (May-June 2020)

Tempus Public Foundation is responsible for the allocation of the applicants. In case of all countries participating in the programme, the allocation of the applicants and the selection of Scholarship Holders depend of the allocation principles described in the Operational Regulations (see Annex 2) of the programme. In general, the principles are in the following priority order:

1. the content of the relevant bilateral agreements in effect between Hungary and the Sending Partner,
2. the capacity (minimum and maximum number of available places) of the university’s specific study programme (you can check it in the online application system: https://apply.stipendiumhungaricum.hu/),
3. the preference order of the selected study programmes on the application form (please carefully read Section 2.4 carefully),
4. the examination results (maximum 100 points) given by the Host Institutions and the ranking order of the applicants on the Sending Partners’ nomination lists

Apart from these, priority is given to

➢ those exchange/partial study applicants whose sending home universities have a valid cooperation agreement with the Hungarian host university that they are applying for.

Applicants can receive one of the following statuses:

➢ approved Scholarship Holder, or
➢ conditionally approved Scholarship Holder (in case any missing documents need to be uploaded), or
- approved on waiting list (can only be approved if scholarship holders withdraw), or
- rejected.

The applicants will be informed about the application results around the end of June 2020 (please see timeline at Section 3.4.3). Please note that applicants can expect only one information email from Tempus Public Foundation about the results. Depending on the allocation results, applicants can expect this letter anytime throughout June and July; therefore we would like to ask for your patience. Please note that we are not able to reply to individual requests asking for the results and all applicants will be informed via the online system.

### 3.6. Acceptance of the Scholarship

Those who do not accept their scholarship until the deadlines below are automatically considered withdrawn from the scholarship.

Applicants who are awarded the scholarship shall not receive a Scholarship Holder status if they:

- fail to upload their missing application documents until 1 August 2020, or
- fail to accept their scholarship until the given deadline, or

#### 3.6.1. Acceptance of Scholarship for Approved Scholarship Holders

In order to gain a Scholarship Holder status, approved applicants must accept their scholarship and consent to the Operational Regulations of the programme (see Annex 2 for the Operational Regulations) in the online application system in **maximum two weeks after the receiving the notification e-mail about the application decision, but no later than 1 August 2020**!

#### 3.6.2. Acceptance of Scholarship for Conditionally Approved Scholarship Holders

If the applicant is conditionally approved because they have any missing documents that could be uploaded after the application deadline, all of the missing documents need to be uploaded via the online system immediately after receiving all documents (and after receiving the notification about the conditional status), and no later than 1 August 2020. Please see details in Section 3.3. about missing documents.

The conditional Scholarship Holders are only able to accept their scholarship in the online system if all missing documents are uploaded first.

After uploading all missing documents, the conditionally approved Scholarship Holders must accept their scholarship and consent to the Operational Regulations of the programme (see Annex 2 for the Operational Regulations) in the online application system in **maximum two weeks after uploading the missing documents, but no later than 1 August 2020**.

### 4. Studying in Hungary
4.1. Visa Applications

You are requested to start your visa application process immediately after receiving the positive decision about the scholarship. Officially, it may take 30 days until a visa is issued. In order to apply for visa to Hungary, you need to contact the competent consular office. For more information please, contact the website of the Hungarian Ministry of Foreign Affairs and Trade (www.kormany.hu/en/ministry-of-foreign-affairs-and-trade/missions and http://konzuliszolgalat.kormany.hu/en) and the Directorate-General for Aliens Policing (http://oif.gov.hu).

Please note that the citizens of some countries do not need a visa to enter Hungary due to the Visa Waiver Agreements. At the time of writing, these countries include: Albania, Argentine, Bosnia and Herzegovina, Brazil, Chile, Colombia, Georgia, Israel, Japan, Macedonia, Malaysia, Mexico, Moldova, Montenegro, Paraguay, Peru, Republic of Korea, Serbia, Singapore, Ukraine and Uruguay – as well as the passport of the special administrative territory of Hong Kong and Macao.

Please make sure to visit the Consular Services website for up-to-date information about your country: http://konzuliszolgalat.kormany.hu/visa-waiver-agreements.

Please note that the Scholarship Holder status does not automatically guarantee a visa.

4.2. Arrival and Enrolment

We highly recommend all applicants to visit our Study in Hungary website (www.studyinhungary.hu) for detailed information about life and education in Hungary. As mentioned in Section 1.3, please also check the expected living expenses with our Cost of Living Calculator.

Scholarship Holders are required to inform the institutional Stipendium Hungaricum coordinator of their Host Institution (please see contact details on our website) about their expected date of arrival 30 – but not less than 15 – days before arrival.

Successful applicants are expected to make their own travel arrangements to Hungary – no financial provisions will be provided for travel expenses by the Hungarian side. In accordance with current legislations, Scholarship Holders are entitled to be exempt from the payment of any fees related to their admission to Hungary. No visa, administrative services or additional contribution is given to family members or accompanying persons.

Please note that the Stipendium Hungaricum Scholarship Programme does not fully cover all upcoming costs of the Scholarship Holder. It means that the students need to add their own financial resources in order to cover all living expenses in Hungary. All applicants are highly advised to check the expected living expenses both in Hungary and in the city that they wish to live in before applying; please do check our Cost of Living Calculator by clicking here: http://www.studyinhungary.hu/living-in-hungary/menu/your-costs-of-living.html

Scholarship Holders are expected to obtain their visa, arrive in Hungary and register at the Host Institution no later than 30 September 2020 (for study programmes starting in the Autumn Semester) – or the date set by the Host Institutions. The applicant who is granted the scholarship must enrol to the Host Institution in the semester in which they were granted admission.
In principle, it is not possible to postpone the start of the scholarship studies to another semester or academic year – except for very special, unforeseeable, vis maior cases described in the Operational Regulations, with the special approval of Tempus Public Foundation. Therefore, in principle if the Scholarship Holder does not enrol until 30 September 2020 – or the date set by the Host Institutions, they will be automatically excluded from the scholarship programme.

Please note that the Host Institutions have to right to require the students to take a medical test at the time of enrolment; however, it is free of charge for the Scholarship Holders.

4.3. Rights and Obligations

4.3.1. Operational Regulations, GDPR and Student Contract

All Scholarship Holders are bound by the Operational Regulations of the Stipendium Hungaricum Programme. Please make sure to read it carefully in Annex 2. The following text contains extracts from the Operational Regulations; however, all Scholarship Holders must read the full text of the regulations.

Scholarship Holders are required to sign a scholarship contract with the Host Institution including study-related details and the rights and obligations of the Scholarship Holders (see sample on our website or at the end of the Operational Regulations).

The Stipendium Hungaricum scholarship is a contribution to the living costs of the Scholarship Holder only, therefore – within the framework of the programme – visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or family members. The legal entity of the scholarship contract is exclusively the Scholarship Holder and the Host Institution.

The Scholarship Holders are expected to follow the regulations of the Host Institution and continue their studies in good faith, to the best of their abilities, in order to meet the academic requirements of the study programme and thus finish the programme successfully. By accepting the scholarship, the Scholarship Holders agree to participate in the alumni system of the programme that support the maintenance of relationships with the Scholarship Holders and facilitates the flow of information – such as the alumni website, alumni events and surveys about the satisfaction of students, career monitoring and the evaluation of research activities.

Please note that the Operational Regulations of the Stipendium Hungaricum Programme can be subject to change, and the Scholarship Holders are always bound by the prevailing regulations at any given time.

Please note that, in accordance with the General Data Protection Regulation (GDPR) in European Union law, all applicants need to give consents regarding data protection and accept the Privacy Policy (see Annex 4) in order to be able to submit an application. These consents appear in the online application system after registration.

4.3.2. Staying in Hungary
Scholarship Holders are obliged to live and study in Hungary; therefore, they are not allowed to live habitually in any other country during the study period, otherwise their scholarship holder status will be terminated. The student must register in person at the international office of the Host Institution at the beginning of each semester.

4.3.3. Other Scholarships and Double Financing

As the Stipendium Hungaricum scholarship covers the entire period of the studies, the Scholarship Holders are not entitled to use financial support for getting enrolled in full time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi). They can only participate in conferences or research activities that are professionally relevant for their studies. These activities should not exceed 10 days or in any way prevent the student from habitually living in Hungary.

Applicants are also not eligible to receive the Stipendium Hungaricum scholarship in case they have another concurrent scholarship from the Hungarian central budget for studies in Hungary. If the Scholarship Holder was awarded more than one scholarship, they have to choose one of the scholarships and withdraw from the other ones. However, the Host Institutions are allowed to provide additional financial support for the students on a social, performance-related, or other basis.

In accordance with the regulations of Government Decree 51/2007. (III. 26.), Scholarship Holders are entitled to be awarded with the National Higher Education Scholarship (“nemzeti felsőoktatási ösztöndíj”)

4.3.4. Termination of Scholarship Status

The details and cases when the scholarship status is terminated are listed in the Operational Regulations of the programme (see Section IV. of Annex 2).

In accordance with the Operational Regulations of the programme, the scholarship status is terminated if

- the student status of the scholarship holder is terminated by the host institution,
- the scholarship holder withdraws from the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution),
- the scholarship holder had obtained their degree at the study programme supported by the scholarship,
- the scholarship holder does not live in Hungary habitually and the Host Institution terminates their scholarship status for this reason,
- the scholarship holder receives Hungarian citizenship (including those with dual citizenships), granted a refugee status (“menekült”), temporary protection (“menedékes”), or admitted for subsidiary protection (“oltalmazott”) or granted humanitarian protection (“befogadott”),
- in other cases described in the Operational Regulations of the programme in effect.
