

# Become part of the CHARM-EU Extended Network!

## CHARM-EU

CHALLENGE-DRIVEN  
ACCESSIBLE  
RESEARCH-BASED  
MOBILE  
EUROPEAN  
UNIVERSITY

## What is CHARM-EU?

**CHARM-EU** is a European University Alliance between the University of Barcelona, Trinity College Dublin, Utrecht University, the University of Montpellier and Eötvös Loránd University Budapest. From 2023, the alliance counts with three new members: Åbo Akademi University of Turku, Julius-Maximilians University Würzburg and the Ruhr West University of Applied Sciences.

CHARM-EU represents a Challenge-Driven, Accessible, Research-based and Mobile model for the co-creation of a European University aligned with the European Values, the European Green Deal and the sustainable development goals (SDGs).

CHARM-EU not only runs the first ever European joint degree program (**Master's in Global Challenges for Sustainability**), but also develops innovative methods in education and research **together with important societal actors**.

Are you part of an (inter)governmental organisation, a corporate enterprise, a civil society or grassroots organisation, or an educational/research institute? **Become part of our CHARM-EU extended network!** We welcome experts from fields related to the United Nations Sustainable Development Goals including Climate Action, Affordable and Clean Energy, Reduced Inequalities, Good Health and Well-being and Quality Education.

## Why become involved?

Joining the CHARM-EU Extended Network will allow you to:

- **Expand your professional and academic network**
- **Tap into EU funding opportunities**
- **Co-create knowledge and solutions** for challenges that you are working on
- **Draw on expertise** from the eight universities
- **Recruit talented students** or alumni as interns, trainees or professionals
- **Receive useful student outputs**, such as in-depth analyses, recommendations, tools/guidelines, business models, software, etc.
- **Build your own or your staff's knowledge and skills** in fields related to the United Nations Sustainable Development Goals

## Master's in Global Challenges for Sustainability

MASTER'S IN:  
**GLOBAL CHALLENGES FOR SUSTAINABILITY**  
**REAL IMPACTFUL KNOWLEDGE**

@charm.eu @charm\_eu @charm-eu.eu

In the CHARM-EU Master's programme Global Challenges for Sustainability, students gain knowledge and skills on sustainability issues in a transdisciplinary and challenge-based environment. Active engagement with CHARM-EU's Extended Network contributes both to the students' learning as well as to solving societal challenges. During the final Capstone phase, students collaborate with the extended network to co-create knowledge and solutions to sustainability challenges related to the UN Sustainable Development Goals.

### How to become involved?

You can become an external stakeholder with the proposal of a challenge-based thesis project (Capstone Challenge) to be developed by a student team during the final phase of the MSc in Global Challenges for Sustainability.

### Who can I contact?

At ELTE you can contact the CHARM-EU Office ([charm-eu.office@rk.elte.hu](mailto:charm-eu.office@rk.elte.hu)) or our Local Capstone Facilitator, Prof. José Jesús Reyes Nunez ([jesusreyes@ik.elte.hu](mailto:jesusreyes@ik.elte.hu)).

If you need more information about the work of CHARM-EU, please, visit [our website](#), where you can read general information about the Alliance as well as [find materials](#) in our Toolkit that can be useful for potential external stakeholders.

You can also learn more about the Capstone phase [in this document](#).
