

# Sponsorship opportunity 2025-2026

---

Graduation gift  
for fresh graduates of ELTE

# ELTE | ALUMNI

## SPONSORSHIP OPPORTUNITY / 2025-2026

### Gift for recent graduates of Eötvös Loránd University

The Graduation Gift was introduced at our university seven years ago, in the 2018/19 academic year, and serves as a farewell gift for some of the newly graduated students.

The golden pin featuring the University's coat of arms pinned to the postcard was made possible through a collaboration between the University, the ELTE Alumni Foundation, and **the first patron, Dr. József Béres (TTK '77)**, who kindly agreed to finance the **Faculty of Science** for many years. Starting in the summer of 2024, the **Faculty of Informatics'** graduate gift will be sponsored by the **Aquincum Institute of Technology (AIT)**, also for several years.

**The opportunity is now open for graduates of the 2025/2026 academic year!** On the one hand, the support can aim to cover the costs of the gifts at the given faculty. On the other hand, **it can aim to expand the range of recipients to include undergraduates at all our faculties** – who have not yet received it.

### Features and parameters of the Alumni badge

The new type of magnetic badge is carried on a postcard, on the back of which a sponsor message\* can be placed.

Pin size: approx. 16 mm, cut to shape

Design: mint, gold-colored, galvanically coated, painted burgundy, waxed, with magnetic fastening.  
Production time: usually 40 working days, to be specified in individual cases.

Eötvös Loránd Tudományegyetem • ELTE Alumni Központ • 1056 Budapest, Szerb u. 21-23.
