

SEE HOW OUR BRAZILIAN STUDENTS FEEL ABOUT HUNGARY AND EÖTVÖS LORÁND UNIVERSITY (ELTE)*

I liked most (that)...

... the attention of the teachers.
... the professors were well-qualified.

If you had the possibility, would you take part again?

... Absolutely sure! The topics were great, and it's always good to remember.
... Yes, without thinking twice.

ELTE is...

... the best university in Hungary.
... a good and excellent university.
I feel honored to study at ELTE university.
... a very good university where we can find good professionals.
... a good university where I will study and learn a lot of things.
... a high level university.
... a well-equipped university which has a lot of good professors.
... a good choice.

ELTE English language course is...

... a very good beginning to your exchange experience!
... an opportunity to improve the language and learn a lot about European/Hungarian culture.
... very good and organized.
... great and the teachers are perfect.
... very important to my academic and professional life.
... really good and helped me improve my English skills.

Would you recommend the language course to other students? Why?

... Yes, the language course was interactive, funny and informative. The teachers were amazing and the coordinators too.
... Yes, because it's a very good opportunity to really improve your English, even if you have a good base.
... Yes, we learnt a lot and we became a great group together.
... Yes, of course. I've learnt in two months more than I've learnt in my whole life.
... Yes, because this is a good moment to warm up and get used to speaking a different language before the beginning of the period.

Hungary is...

... the best country to have an exchange experience, INDEED! ...
... a dream that came true.
... an amazing country, surrounded by sweet and gorgeous places and people. ♥ ... beautiful and magic. ♥ ... a nice place to live and safe.
... one of the most beautiful countries of the world.
... my new passion. ♥ ... an interesting country, I'm loving it here. ♥ ... an amazing country, with great beauties, natural and architecture. ... a exciting country. ♥ For sure I love it! ♥
... a tiny little country that I'm already missing.

*The students are all participants of the Science without borders program at ELTE. They were participants of the ELTE English language course in July-August 2013 and study now at the Faculty of Informatics and the Faculty of Science at ELTE.
